

POST JOB FAIR

reflection

GENERAL EXPERIENCE

- What were your first impressions of the job fair? Did anything specific catch your attention related to your technical field?
- How did your knowledge and skills in your CTE program influence your experience at the job fair?
- What new insights did you gain about the industries or careers related to your technical area of study?

PREPARATION & PARTICIPATION

- How did you prepare for the job fair in relation to your specific technical skills? Was there anything you wish you had done differently?
- Were you able to speak with employers in your field of study? How did they respond to your skills and experience?
- Did you bring a portfolio, resume, or samples of your work? How did employers react to the materials you shared?

INTERACTION & NETWORKING

- Which companies or representatives did you feel had the most relevance to your technical training? What aspects of their work interested you?
- Did you ask any specific technical questions during your conversations? How did employers respond to your inquiries?
- How did you present your technical skills and experience during the job fair? Did you receive any feedback on how you could improve your presentation?

POST JOB FAIR

reflection

CAREER INSIGHTS

- How did the job fair influence your thoughts about your future career within your technical field?
- Did you learn about any new technologies, tools, or industry trends that are important in your field? How will this knowledge impact your career planning?
- What specific technical skills did employers seem to value the most? How well do you think your training has prepared you in those areas?

FUTURE STEPS

- What are your next steps after attending the job fair, particularly in relation to your technical career path? Did you make any connections for internships, apprenticeships, or jobs?
- How can you leverage your technical skills and the feedback you received at the job fair to improve your career prospects?
- What will you do differently at the next job fair or industry event, especially in terms of showcasing your technical expertise?

ADDITIONAL NOTES:
