

ANTELOPE UNION HIGH SCHOOL DISTRICT #50

2024 School Board Candidates:

Michelle Jones:

No Response Submitted.

Gregory Marlatt:

No Response Submitted.

Laura Noel:

No Response Submitted.

Robert Brian Taylor:

I, Robert Brian Taylor am running for the Antelope School Board. I am third generation involved with Antelope Union High school. My Grandfather Wert Grover was a farm owner in Roll, AZ. My Grandfather Homer Taylor worked for McElhaney Cattle Company. My mother Sharon Taylor and Father Robert Taylor graduated from Antelope. They were all heavily involved in all aspects of the community. My mother Sharon Taylor was on the Mohawk school board for fifteen plus years. My father Robert Taylor was the president of the Tacna Fire Department. I returned from living in Alaska three years ago with my family. I am running for Antelope School Board to further my commitment to this community. I was born and raised in Roll, Arizona and attended Antelope High School from 1983 to 1987. I was involved in sports and Future Farmers of America (FFA) during my high school years and gained a lot of growth as a young adult being part of those programs. I want to promote all the wonderful programs and things that we do in this area and continue to help our high school students do positive things that will allow them to grow into young adults. This high school and community provided me with great tools to be a successful adult and good member of this small community. I am currently a registered Republican with the Antelope Union High School district, as well as 4H leader. I am committed to our High School District and community for success of our children's futures in this vast world.

Thank you,

Robert Brian Taylor
