

SCI PRO - This is a suggested layout. Your board should flow in the same fashion but may be modified to fit your project. Boards are due _____

Question Place Question Here Purpose Explain the purpose of your investigation here. Tell why it is an important question.	Background Research Place a summary or bullets of information from resources here. Hypothesis State your prediction based on your research here. Variables Identify the IV, DV(s), and the Constant variables here.
Project Title (PUT NAMES & CLASS ON BACK ONLY!) <i>The use of photographs is encouraged. Photographs used should NOT include direct face shots. Photos of students conducting their investigations and of materials or contraptions are appropriate. Photos of test subjects should be back, top, or side views only. Photos should be placed on the board in a logical manner and should include captions explaining their purpose.</i>	Results Data Table(s) Place all data collected here. Use extra flaps if needed. Data collected can be in the form of tables, written observations, calendars, photos, drawings or timelines. All data should be labeled appropriately with units of measure and/or detailed descriptions of what it represents. Graph(s) Place all graphs/charts here. Be sure that they are labeled appropriately on each axis and have a descriptive title. Make sure units of measure are noted on each axis and you include a brief statement of what each graph shows. "This graph shows..."
Results Place a summary of your data/results here. Include specific data points that you think are significant. Discuss any trends you noticed in your data. DO NOT explain <i>why</i> you think it happened that way, ONLY <i>what</i> you noticed.	Conclusion/Abstract Place your conclusion/abstract here. Include a brief overview or summary of your scientific investigation, an analysis of your results (the <i>why</i>), problems you encountered, extensions you could try, and real world applications. Add flaps, if needed. Resources Use www.easybib.com (MLA) & acknowledge those who assisted by first name only.
